

Motor Insurance Claim Documents — Accident & Theft Checklist

ClaimVoice sample/template — for general awareness and convenience

Approximate checklist only. The exact documents depend on the insurer, policy, facts and applicable authority process.

Accident / own-damage claim

Commonly relevant: policy schedule/certificate, RC, driving licence, claim form/intimation, claim acknowledgement, accident photographs/video, repair estimate, survey/assessment records, repair invoice, payment proof, FIR/police record where applicable, medical/MLC records where applicable, bank details where required, and additional documents requested for the specific claim.

Vehicle theft claim

Commonly relevant: policy schedule/certificate, RC, FIR/police complaint, police investigation/final report documents where applicable, all available vehicle keys, claim form/intimation, claim acknowledgement, driving licence where relevant, bank details where required, RTO/ownership-transfer documents where required, financier/hypothecation documents where applicable, and other documents requested during investigation.

Safe submission

Keep copies. Record dates of submission. Use official insurer channels. Do not share OTPs or passwords. If a document is unavailable, explain why in writing and ask what alternative evidence is acceptable.
